GLIMPSES OF THE EXHIBITION

ABOUT THE SHOW

ABOUT THE SHOW

9th Nepal Lab Expo 2026 established itself as one of Nepal's premier exhibitions in the laboratory, scientific, and analytical sector. The show offered a comprehensive showcase spanning the full spectrum of the industry – from lab testing instruments and consumables to laboratory furniture, analytical tools, and scientific equipment.

Positioned as an international exposition, the event brought together laboratory users from key sectors including pharmaceuticals, food testing, material testing, R&D, and educational institutions. It served as an ideal platform for networking, fostering business collaborations, and facilitating knowledge exchange among industry professionals.

9th Nepal Medical Show 2026 reaffirmed its standing as Nepal's largest and most prominent dedicated medical exhibition, successfully held in Kathmandu. The show drew business visitors from across Nepal, select regions of India, and various other countries, reflecting its growing regional significance.

The exhibition featured a strong representation of international brands through their local channel partners, alongside a comprehensive product range from market leaders and direct manufacturers – particularly from India. The Nepal Medical Show 2026 brought together a diverse confluence of international and national stakeholders across the medical, surgical, hospital, and diagnostics sectors, including manufacturers, distributors, and suppliers.

VISITOR'S TESTIMONIAL

VISITOR'S TESTIMONIAL

I was impressed by the show size and numbers of companies participated in it. It was a great opportunity to Nepal healthcare & laboratory industry to witness many international brands at one platform.

SHRIJAN SHARMA
DIRECTOR
AADHYA DIAGNOSTIC
& RESEARCH CENTRE

We have great importance to the expo. New products exhibited at the expo have impressed us, many of which are developed by Indian manufacturers. And through communication with enterprises and peers, we have broadened our horizon and anticipated deeper cooperation in the future.

BIDHYA SHRESTHA
BOARD OF DIRECTOR
ALKA HOSPITAL

I have been visiting Nepal Medial & Lab show from very first year. We are getting and experience new products and technology every year in the medical sector. It is really a great opportunity for us itself in the Nepal.
